

Super Energy Savers

Pointe Coupee Electric Membership Corporation

Finish this checklist and return it to your teacher and you will be an official Touchstone Energy Cooperatives "Super Energy Saver." Make sure you get mom or dad to help you so they can be energy savers too.

Good Luck!

Turn Off All The Lights every time you leave the room.

Shut Down The Computer when you are done using it.

Unplug Electronics like cell phone charges, video games

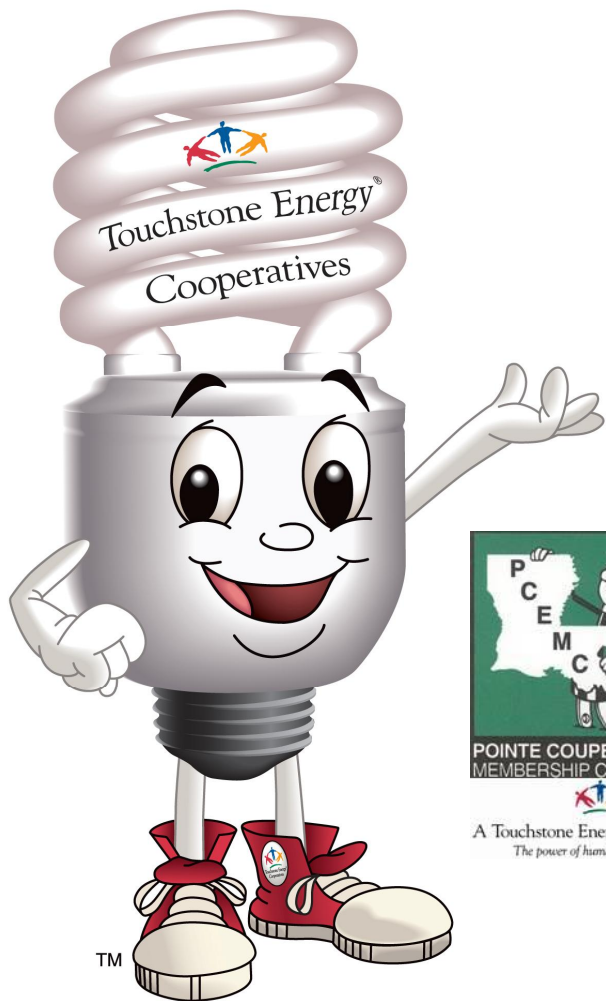

Super Saver Bonus:
Count the number of CFL light bulbs you have in your house. If you don't have any, ask your mom or dad if you can buy some the next time you are at the store.

Total number of CFLs in your home:

Set Your Thermostat To 78° in the summer and 68° in the winter.

Don't Hold the Refrigerator Door Open for long periods of time.

Check Windows and Doors for Air Leaks.
