EWING, CHUSTZ AND ELLIOTT ELECTED TO BOARD OF DIRECTORS

2018 EDUCATIONAL MINI-GRANTS TO LOCAL SCHOOLS

MORGANZA SPILLWAY EAGLE GETS A NEW HOME
JIMMY EWING, JR. OF DISTRICT 2 AND RALPH B. CHUSTZ, SR. OF DISTRICT 4 AND ERIC ELLIOTT OF DISTRICT 6, WERE RECENTLY ELECTED WITHOUT OPPOSITION TO SERVE ON THE PC ELECTRIC BOARD OF DIRECTORS.

They will begin their new three-year terms at a meeting of the board immediately following the 80th PC Electric Annual Membership Meeting on Wednesday, January 30, 2019. (Lucky Number: 1915500)

The directors are elected by members from the seven districts comprising the service area of PC Electric. (Lucky Number: 1956901) Directors must be PC Electric members who reside in the district they represent.

The seven directors comprising the PC Electric Board are responsible for managing the business and affairs of the electric cooperative. They exercise all of the powers of the cooperative except such as are by law, the Articles of Incorporation or the cooperative by-laws conferred upon or reserved to the members.
PC ELECTRIC 80TH ANNUAL MEMBERSHIP MEETING
SCHEDULED FOR WEDNESDAY, JANUARY 30.

Remember:
Members must bring their registration cards to the meeting for registration and drawings! Only members are eligible for prizes. Must be present to win. If unable to attend, mail registration card to PC Electric for separate door prize drawing.

The 80th Annual Membership Meeting of PC Electric is scheduled for Wednesday, January 30 at 12 o’clock noon at the Scott Civic Center on Major Parkway in New Roads. Registration will take place from 9:00 am to 12:00 noon. Registration will close promptly at noon.

Doors will open at 9:00 a.m. for free health screenings, informational exhibits and demonstrations. (Lucky Number: 257500) Entertainment will also be provided. Goody bags will be given to the first 500 members to register.

The business meeting will begin promptly at noon. Members are reminded to bring their registration cards included with the notification of the meeting. The business meeting will consist of reports of officers, directors and committees; announcement of members elected to serve on the board; and other business that may properly come before the membership.

Drawings will be held to select the winners of the 2019 continuing education scholarships being offered by PC Electric to high school seniors, and endowments will be presented to the 4-H programs of Iberville, Pointe Coupee and West Baton Rouge parishes.

Members of PC Electric will have the opportunity to meet the directors and staff of their electric cooperative, Public Service Commissioners, and fellow co-op members. (Lucky Number: 426600)

Refreshments will be served as the members check in at the registration table and approximately 45 lucky members in attendance will take home door prizes. Only PC Electric members are eligible to win door prizes.

There will be various exhibits and free health screenings from 9:00 am to 11:30 am. Anyone needing special assistance should contact the office at 225/638-3751 prior to the meeting.

PC Electric is your electric cooperative that has served parts of Iberville, Pointe Coupee and West Baton Rouge parishes for 80 years. We are an equal opportunity provider and employer. PC Electric is Connecting People...Impacting Lives!

PC ELECTRIC 80TH ANNUAL MEMBERSHIP MEETING
SCHEDULED FOR WEDNESDAY, JANUARY 30.
PC ELECTRIC PROVIDES 2018 EDUCATIONAL MINI-GRANTS TO LOCAL SCHOOLS

Teachers whose schools are within a community served by PC Electric and whose students’ homes or parents’ businesses are served by the Cooperative are eligible for educational grants under an educational program sponsored by the Co-op. According to Myron A. Lambert, General Manager of the company, youth and education are a top priority of the Co-op. Lambert states, “PC Electric is totally committed to our members and continually strives to improve the quality of life in the communities in which we serve. The welfare and education of our youth are naturally some of our top priorities.”

To qualify for a donation, each adopted school must submit a written plan for an educational program that they would implement or expand. (Lucky Number: 2326200) Only academic programs can qualify for one of these mini-grants.

On November 7, 2018 PC Electric hosted a luncheon and awarded educational mini-grants to its adopted schools throughout Iberville, Pointe Coupee and West Baton Rouge Parishes. The funds were presented to the school principals and/or school representatives in each of the three parishes. PC Electric Manager of Finance and Administration James Jewell and Board of Directors member Peter Rumfola, Jr. and Chris Settoon presented grant checks to the following schools:

- Catholic High of Pointe Coupee
- Chamberlin Elementary
- Crescent Elementary & Jr. High
- Devall Middle School
- False River Academy
- Holy Family
- Livonia High School
- North Iberville Elementary
- Plaquemine High School

PC Electric along with the Morganza Cultural District members and Jacques and Tilly LaCour are hoping that a new home will encourage the local bald eagle to stick around in the Morganza Spillway, even though its nest is currently in a dying tree.

On Thursday, November 29, PC Electric work crews installed a nesting structure on top of a 65-foot-tall utility pole in the Morganza Spillway, just yards away from his current nest. PC Electric donated one of their utility poles and had some of their linemen build and install the new structure on Jacque LaCour’s land. (Lucky Number: 2397600) “This project was important to the community and it’s important to us,” said Myron Lambert, general manager of PC Electric. “Our employees were very excited to be a part of that.”

Pointe Coupee residents are optimistic that the eagle will soon move to this new sturdier foundation, even though wildlife officials have said that it is not guaranteed.

The bald eagle, named Montana, has nested in the Morganza Spillway for over 20 years and brings many enthusiastic bird watchers to the area in the hopes that they will catch a glimpse of this majestic bird. (Lucky Number: 2186700)

PC Electric Board Director Chris Settoon (District 7) recently completed the Credentialed Cooperative Director (CCD) Certificate program. This curriculum consists of five courses designed to provide the basic governance knowledge and the essential skills required of cooperative directors. The CCD prepares directors to fulfill their fiduciary duty as elected officials serving on behalf of their membership. Upon completion of all five CCD courses, directors are awarded the Credentialed Cooperative Director Certificate by NRECA.
ENERGY EFFICIENCY
TIP OF THE MONTH

Is your hot water tank warm to the touch? Consider insulating it to save 7 to 16 percent annually on water heating costs. Follow the manufacturer’s recommendations.
